Subscription Service: *Experimental Lung Research* is published in six issues per year in one volume, bimonthly, by Hemisphere Publishing Corporation. The subscription price is $265.00 per year for delivery within the United States, Canada, and Mexico. For surface mail delivery outside North America, please add $36.00. For airmail delivery outside North America, please add $48.00.

Shipments will be made only upon receipt of payment. All orders and communications related to subscriptions (outside of Japan), including notifications of change of address, should be sent to Elizabeth D'Costa, Subscriptions Manager, Hemisphere Publishing Corp., 79 Madison Ave., New York, NY 10016; phone (212) 725-0772. In Japan, please contact Noriko Uda, Woodbell Incorporated, 4-22-11, Kitakasai, Edogawaku, Tokyo 134, Japan. Change of address notices should provide the old as well as the new address, including zip code number. Changes will become effective within approximately 20 days. Missing copies will be replaced only if valid claims are received within 90 days from date of mailing. Replacements will not be allowed if the subscriber fails to notify the publisher of a change of address or if a copy is misplaced at destination. Request for refund will be honored only prior to delivery of issue number 1 of each volume.
